"Bishop's Lodge is a truly magnificent and authentic venue for groups looking for a unique space and setting," says Jeff Lashar, director of sales and marketing at Bishop's Lodge Ranch Resort & Spa. "This offer will allow even more meeting attendees to explore our ranch amenities and the real Southwest experience that makes us so special."

Indoor facilities at Bishop's Lodge Ranch Resort & Spa include more than 8,000 square feet of meeting space with a beautiful design and inventive spaces to accommodate from 10 to 250 guests. Sprawling outdoor areas provide additional functionality with impressive mountaintop vista views, expansive green spaces and 450 acres to explore under the Santa Fe sky.

Event staff may customize functions such as cocktail receptions, cowboy cookouts and Mexican fiestas for any audience. In addition to meeting spaces, a number of team building opportunities exist utilizing resort amenities including:

- Ranch stables
- Skeet and trap shooting range
- Extensive hiking and biking trails
- SháNah Spa
- Yoga and movement studio
- Tennis clinics

Bishop's Lodge Ranch Resort & Spa is an authentic, historic destination ranch resort nestled at the base of the Sangre de Cristo Mountains. Wrapping around a 156 year-old historic chapel, the resort includes 15 Santa Fe adobe-style lodges housing 91 unique rooms, many with kiva fireplaces, private courtyards and quaint balconies as well as eight gated villas. Bishop's Lodge Ranch Resort & Spa is also home to the serene SháNah Spa. The on-site Las Fuentes Restaurant & Bar offers creative Nuevo Ranchero cuisine created by Executive Chef Christopher McLean in an inspired environment featuring majestic beamed ceilings and authentic Navajo rugs.

This promotion is valid for new group business only and is available for events occurring by December 31, 2012. The offer requires a minimum room block of 25 rooms per night at a two-night minimum and a \$10,000 minimum spend for guest rooms and food and beverage, not including taxes or gratuities. The offer is based on availability at the time of the request.
