Santa Fe – Mother's Day Brunch at Bishop's Lodge continues to be a popular tradition. In addition to brunch, the ShaNah Spa will offer a Mother-Daughter Spa Treatment, and the resort will offer complimentary digital family portraits for all guests.

"The lush lawns, the blooming flowers and spacious grounds offer a great backdrop for any family celebration," says Managing Director Rich Verruni. "This is a family resort and we're delighted to offer a variety of activities and ways to honor mothers."

The brunch menu will include Prime Rib of Beef, Crab Legs, Apple-Glazed Country Ham, Roasted Leg of lam, Oyster Shooters and an array of entrees.

"This is one of our most popular events," says Director of Sales & Marketing, Becky A. Ellis, CMP. "Moms can leave routine behind and bring the kids for a very special day out."

The ShaNah Spa will offer a three-treatment special including a 50-minute Purification Body Polish, a 50-minute Native Stone Massage, and a 50-minute Custom Facial for 20% off the full value of \$770.

On-site activities also include horseback riding, tennis lessons, and hiking or biking on miles of trails.
